Klosterfelde, den 11.10.2005

Dear Sir/Madam,

We have been testing the VULCAN 5000 for 4 weeks.

After only a few days we noticed a significant change regarding the scale deposits in the washing basins and in the shower and await further positive changes. For this reason we have decided to continue to use the device.

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'K. Kämke', written in a cursive style.
